## LETTER OF GUARANTEE

Neogen Corporation, Kenansville Operations, 279 Faison McGowan Road, Kenansville, North Carolina, United States of America hereby declares under our sole responsibility that the product or products listed below:

**Prima Blue Concentrate, Item numbers: 333889, 342676**  
**Prima Pink Concentrate, Item numbers: 333865, 342669**  
**Prima Green Concentrate, Item numbers: 333872, 342683**

is/are safe and effective, when used as directed, for marking livestock. Usage should be limited to the amount and concentrations necessary to achieve the desired effect.

This product does not contain chemicals at concentrations that would require a warning label under California Proposition 65.

Storage containers should be clearly marked and individually identified with the product name on the label.

Empty containers should be discarded according to local and state regulations.

Neogen, Kenansville Operations hereby certifies and guarantees that the above is true and correct. If you should have any questions, please do not hesitate to contact the undersigned:

Mitchell D. Rivenbark, General Manager
